

# ABAS LAW FOUNDATION Presents...

## A Conversation on Civics with Chief Justice of California Tani Cantil-Sakauye

March 9, 2017 @ 6:00PM, McGeorge School of Law, Sacramento

### Tani Cantil-Sakauye

*Chief Justice*  
California Supreme Court

The series opens with a Conversation on Civics with our own Chief Justice Tani Cantil-Sakauye, who is the first Asian-Filipina American and the second woman to serve as the state's chief justice. Chief Justice Cantil-Sakauye was born in Sacramento and attended C. K. McClatchy High School, Sacramento City College, and University of California, Davis, for her Bachelor's and law degrees.

The chief justice is a role model for today's youth and tomorrow's leaders. You will not want to miss this intelligent, passionate, and eloquent judicial leader.

The ABAS LAW FOUNDATION is celebrating 20 years of law-related educational and charitable works in greater Sacramento's Asian/Pacific community. Our works include workshops on immigration assistance, employment discrimination law, and election procedures; we give

**20** YEARS  
IN SERVICE

scholarships to community-conscious activist law students through our annual golf tournament; we have supported activities such as the Hmong Mediation

Project, and we continue to administer a \$47,400 federal research grant that is leading to a book on World War II's notorious Tule Lake concentration camp.

In 2017 we are putting on a series of speakers and events to provoke discussion and to inform the public on often-overlooked subjects, such as civic responsibility, our unjust bail system, human trafficking, speaking out at Tule Lake, and discriminatory and unconstitutional governmental actions.
